PRODUCT OBSOLESCENCE NOTICE

BRITESPOT G1.1 (Conversion Module Only)

Notification Date: Feb 1, 2016

Dear Customer,

Our records indicate your company has previously purchased the above referenced product which is being discontinued. A successor product has been developed and part numbers are listed below. Several new features have been integrated into the new "G3" model based on Customer feedback, and we are confident this optimized model will meet your technical needs as well as your budget constraints. An upgrade to the G3 model will not affect the existing fiber probe installation.

The new BriteSpot G3 module carries a **10-Year Warranty**.

Orders for the previous G1.1 version will be accepted on a non-cancelable, non-returnable basis only. Customer requested delivery dates must be scheduled on or before **August 30, 2016** and Powell reserves the right to limit last time buy quantities based on capacity and material availability.
